Above is a tool bar for the search engine called GoodSearch. It is a product of Yahoo search engine. It provides a way for you to make your searches on line and make a contribution to WCN. Every time you use GoodSearch we receive a contribution of a penny. It costs you nothing and contributes to our vision and mission. The funds are paid to us from the advertisers money. You must down load the GoodSearch tool bar at <http://www.goodsearch.com/toolbars.aspx>. After the download, select World Compassion Network as the agency you want the contribution to go to and every time you use the search engine we will receive a penny. Please set it up as your search engine and help us help others. It only takes a couple of minutes. It is safe, easy, and a good thing.
